PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

ELVIS is an ashtray in the shape that resembles a microphone of the 1950s; the upper quadrangle element is fitted with laser-shaped slots that characterize the design and permit the inclusion of ash and cigarettes.

On one of the sides there is an openable hatch, useful for emptying of the inner container.

A tubular profile support is linked to a quadrangular shaped steel by laser which, depending on the needs, it may be fixed to the floor or can be vacated.
