BENCH

The bench EIGHT is made in steel sheet (80/10 thickness), which is later galvanized and polyester powder-coated. The seat is made with 4 slats mm 100x40x1600 in exotic wood. On the base of the legs there are 4 holes (12 mm diam.) for the fixing to the ground through specific bolts (not provided). Optional: the bench EIGHT can come with armrests in steel (80/10 thickness), fixed to the seat through specific screws.

Optional:

"EIGHT" can be equipped with two sturdy armrests in thick 80/10 galvanized and polyester powder coated steel anchored to the seat with screws. Weight without armrests: 21 kg (steel only)

Optional: armrests

Weight with armrests: 32 kg (steel only)

BENCH WITH BACKREST

The bench EIGHT with backrest is made in steel sheet (80/10 thickness). The seat and the backrest are made with 6 slats mm 100x40x1600 in exotic wood. On the base of the legs there are 4 holes (12 mm diam.) for the fixing to the ground through specific bolts (not provided). Optional: the bench EIGHT can come with armrests in steel (80/10 thickness), fixed to the seat through specific screws.

Optional:

"EIGHT" can be equipped with two sturdy armrests in thick 80/10 galvanized and polyester powder coated steel anchored to the seat with screws. Weight without armrests: 31 kg (steel only)

Optional: armrests
Weight with armrests: 45 kg (steel only)

This product is entirely made in Italy from steel subjected to an electrolytic galvanising cycle and subsequently painted with PP powders with Ral colour of your choice.

As an alternative to steel EN10111DD11, the production in corten is also available, on demand. In this case the material is treated with a specific oxidation process.

The wood used is either Iroko or Okume, treated with natural, water-repellent, UV ray resistant oils.

Max dimensions:

Height: **450 mm**
Height with armrest: **600 mm**
Height with backrest: **864 mm**
Width: **450 mm**
Length: **1600 mm**
