

BENCHES: INCONTRO

| Categories: [BENCHES](#), [URBAN SMART LIVING](#), [URBAN SMART LIVING](#)

PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

The bench **INCONTRO** designed for both open spaces and closed areas, such as shopping malls, airports and stations, is characterised by a refined and elegant design that combines high-quality materials: *stainless steel AISI 304* with satin finish, *galvanized and painted steel* or *corten steel*, are used for side supports; exotic wood is used for the seat and the backrest slats. These materials create a light form with seamed edges. The two steel side elements argue as if they were two hands, the 5 wood slats.

The backrest is composed by 4 staves in exotic wood.

Overall dimensions:

2200x700x846 mm
seat height 420 mm

Materials: [steel and wood](#)
