| Categories: [PLANTERS](#), [URBAN DESIGN](#)

PRODUCT DESCRIPTION

Planter Box

The planter box small is made in steel 40/10 thickness. On the bottom of the planter 2 drain pipes, made in tubular steel, section 16X2 mm, H 50 mm are welded. For the fixing to the ground through specific bolts (not provided) there are 4 holes 12 mm diam.

Planter Box Big

The planter box small is made in steel 40/10 thickness. On the bottom of the planter 2 drain pipes, made in tubular steel, section 16X2 mm, H 50 mm, are welded. For the fixing to the ground through specific bolts (not provided) there are 4 holes 12 mm diam.

This product is entirely made in Italy from steel subjected to an electrolytic galvanising cycle and subsequently painted with PP powders with Ral colour of your choice.

As an alternative to steel EN10111DD11, the production in corten is also available, on demand. In this case the material is treated with a specific oxidation process.

Max Dimensions:

BOX:
