

SECURITY LINE: DUO SNCF

| Categories: [ECO DESIGN](#), [SECURITY LINE](#)

PRODUCT DESCRIPTION

Product especially manufactured for the French railway company "SNCF". The particularity of this product is the use of two colours on the bin body that allows to identify immediately where to throw away the waste related to each colour. Like all of LAB23 bins, also DUO SNCF has a lid with a universal triangular key lock. Another option for this product is the half-moon panel for visual communication to be applied on the lid. Colours and text can be customised.

This product is entirely made in Italy from steel subjected to an electrolytic galvanising cycle and subsequently painted with PP powders with Ral colour of your choice.

Max dimensions:

Height: **77 cm**
Length: **54 cm**
Capacity: **2x60 lt**

Optional: panel

Material: [steel](#)
