

CORBEILLES: LUCO

| Catégories : [CORBEILLES](#), [URBAN SMART LIVING](#)

PRODUCT DESCRIPTION

Designer: [GIBILLERO Design](#)

LUCO is a large cylindrical basket, designed for public spaces and equipped, at the top, with a ashtray plate, and two openings arranged on the body side.
Obtained by joining two calendered plates and made entirely of galvanized and coated steel, LUCO is a product of high strength and durability, characterized by an attractive design and is available in several colors.
LUCHINO is the version with reduced size of LUCO, thought to be located outside or inside public and private places.

Overall dimensions:

LUCO overall dimensions: 480 x 505 x 950 mm h; capacity: 80 liters.
LUCHINO overall dimensions: 400 x 420 x 745 mm h; capacity: 35 liters.
